What is an IP65 rated enclosure?

IP65 rated enclosures provide indoor and outdoor protection for waterproof applications. Tested to IP65 standards ensures enclosures and cases are safe for housing sensitive electronic assemblies in harsh environments. IP65 rated boxes are available in plastic, aluminum and steel varieties.

Does NEMA manufacture IP65 enclosures?

Nema Enclosures manufactures IP65 enclosures, also known as IP65 cabinets or IP65 boxes. Contact us today for more on our IP65 electrical enclosure protection standards!

What is an IP65 stainless steel enclosure?

The IP65 Stainless Steel Enclosure is engineered to deliver robust protection in harsh and corrosive environments. Made from high-grade SUS304/SUS316 stainless steel, this enclosure is ideal for applications requiring long-term durability, hygiene, and resistance to moisture, chemicals, and salt spray.

What are the different types of IP65 rated boxes?

IP65 rated boxes are available in plastic, aluminum and steel varieties. With a wide range of sizes and styles to choose from it's easy to find the perfect IP65 junction box or enclosure solution. IP65 enclosures are extremely versatile due to their ability to withstand dirt, dust, debris and low-pressure water jets.
