What is the duration of Absoluteblack's warranty?

absoluteBLACK warranties its products for a period of 1 year from the original date of purchase, when used under normal non-abusive conditions, to be free from defects in materials or workmanship.

What makes a good warranty?

Most major purchases like cars and home appliances come with a written warranty. A good warranty can make a difference if you have problems with your purchase later on and might be a good reason to choose one product over another. Here's what to look for as you consider the warranty: Reputation.

What should I do if I buy a product with a warranty?

After you buy a product that has a warranty Save a copy of the warranty. If you shop online, print or download a copy for your records. Save your product receipt with the warranty. The receipt proves the date you bought the product and that you're the original product owner.

Do you need a warranty before buying a product?

Manufacturers or sellers often include a warranty -- a promise to stand behind the product. Whenever there's a warranty, the law says it must be available for you to read before you buy. That's true whether you shop in person or online. Warranties might cover a lot or a little, but the details should be in writing.

There is a four-year warranty on all Quicklift Plus components. Black Gas Springs - The gas springs used in this application each have a black e-coated steel body with black annealed extending rod. The end-fittings used are designed specifically for this application.
