Design Ambulance Bay Doors For Safety and Speed  
Ventilate The Ambulance Bay  
Build in Disinfection Capabilities  
Provide Secure Drug Storage & Inventory Management  
Another special space your station should include is a place for providers to exercise. Consider the specific workouts and equipment your providers are most likely to need and use. Where a firefighter might need to lift heavy weights, an EMS provider may be better served by a rowing machine, says Rodriguez. "All of our new stations have space for s...
