Who are the best Chinese circuit breaker companies?

Top Chinese circuit breaker companies, such as TOSUNLux, focus on producing reliable circuit protection devices verified by top industry certifiers. TOSUNLux is open to discussing custom low-voltage switchgear needs and offers tailored solutions for specialized installations worldwide.

What is a winch system?

Winch systems are devices used to wind a cable or a rope in or out; the resulting tension pulls an object. The winch drum can be powered manually, pneumatically, electrically, or hydraulically. At OUCO, we supply powerful hydraulic winch systems, as well as other winch types.

Who makes molded circuit breakers?

Korlen was founded in 1985 in Zhejiang province. They specialize in making molded circuit breakers, fuse-filled breakers, and molded case breakers. Known for its innovative designs, Korlen provides a wide range of products that include other control devices.

What is the ouco winch system?

With the OUCO winch system, you can complete more complex winch operations, you can control the speed change, emergency braking, and guide the direction of the rope. The winch system can be used in combination with other equipment or operated independently. And, in addition to electric and hydraulic options, we also offer many customised options.
