How much does air freight cost from China to Cameroon?

For example, the container rate from Shenzhen China to Douala Cameroon is rough US\$4,000 for 1x20ft container, US\$5,000 for 1x40ft container. The ocean transit time is about 35-40 days. The actual voyage time may vary depending on the port, service and route chosen. Air Freight is an essential component to any international logistics network.

What is a sea freight service for Cameroon from China?

Our sea freight service offers a flexible and cost-effective solution for goods to Cameroon from China, with shipments departing weekly. It has two offerings: a shared container service and a full container load service. These two options allow our customers to select the service of their choice considering their needs and financial considerations.
