Who is Technaus Solar Canberra?

Technaus Solar Canberra is an Australian owned and operated renewable energy company, specialising in solar power and battery storage technology in both Metro and Regional ACT. With a reputation as a pioneer within the renewables sector, Technaus Solar Canberra have been a market leading solar energy company for over 15 years.

Does Canberra have a solar system?

Canberra's sunlight provides commercial solar systems with stable energy production, helping shield your business from unpredictable energy prices. The added option of battery storage systems can further power self-sufficiency, allowing you to store excess energy created rather than feeding it back to the grid.

Why should you choose commercial solar in Canberra?

With Quality Energy's high-performance commercial solar systems, you can reduce electricity costs, achieve energy independence, and positively impact the environment. Why Choose Commercial Solar in Canberra? As energy prices continue to rise, businesses across the ACT are choosing the cost-saving benefits of commercial solar systems.
