Where are Lyon industrial storage cabinets made?

Lyon proudly manufactures these industrial storage cabinets in the USA! These strong all-welded cabinets ship assembled and ready to use. The all-welded industrial storage cabinet features 14-gauge steel construction. Each of the heavy-duty steel doors include three 5/16-inch diameter brass-pin hinges.

Where can I find Lyon cabinets?

You will find Lyon cabinets in places such as auto dealership service shops or on the floor of a machine shop. These heavy-duty steel cabinets are the toughest in the industry. Lyon proudly manufactures these industrial storage cabinets in the USA! These strong all-welded cabinets ship assembled and ready to use.

How does Lyon welded steel cabinet work?

Lyon welds 4-inch-high legs under each heavy-duty steel cabinet to create a forklift base. This space below the industrial storage cabinet allows a forklift to easily move the cabinet to where it is needed in your warehouse or facility. The 4-inch base also provides more toe room below the welded steel cabinet when the doors are open.

Are Lyon's metal storage cabinets durable?

All of our industrial metal storage cabinets feature a durable powder coat paint finish that will stand up to harsh use. The industrial storage cabinet includes full width shelves. Lyon's shelves can hold your heaviest item.
