Who owns Mauritius Airport?

The airport was previously known as the Plaisance Airport. It has direct flights to several destinations in Africa, Asia, Australia, and Europe, and is home to the country's national airline, Air Mauritius. Airports of Mauritius Co. Ltd (AML) is the owner and operator of the airport, and the Government of Mauritius is the major shareholder of AML.

Where is Air Mauritius located?

It is located at Plaine Magnien, 48 km (30 mi) southeast of the capital city of Port Louis. The airport was previously known as the Plaisance Airport. It has direct flights to several destinations in Africa, Asia, Australia, and Europe, and is home to the country's national airline, Air Mauritius.

Should airports be built with self-regulating materials?

Airports may be constructed with self-regulating materials that adjust their thermal and optical properties in response to environmental changes. These materials could reduce heating and cooling needs by 70% while maintaining optimal indoor conditions.

With 2,800+ hours of annual sunshine, Mauritius is accelerating its photovoltaic inverter adoption to meet 60% renewable energy targets by 2030. This guide reveals how to select high ...

The structure of the New Airport Terminal is designed after the "Traveller's palm", a tropical plant that grows on Mauritius. It is connected to the existing terminal (refurbishment began in 2014) ...
