What is an outdoor telecommunication enclosure?

Damage-resistant and reliable outdoor enclosures are key for outdoor telecommunication applications from cell tower sites and fiber optic networks to substations. These specialized cabinets house and protect sensitive equipment like routers, switches, and other network devices.

Why should you choose Shield for your outdoor telecom enclosure?

This solution is also ideal for rapid deployment at the network edge. SHIELD offers a wide range of customization features for your outdoor telecom enclosures such as machining, special dimensions, custom colors, and additional protection for harsh environment.

How do I choose a NEMA rated outdoor enclosure?

Finding outdoor enclosures that meet all of your application requirements is made simpler through NEMA ratings. Cabinets with a 3, 3R, 3S, 3X, 3RX, 3SX, 4, 4X NEMA standard are all properly made to withstand the outdoor elements to varying degrees.
