What are the different types of Bess cabinets?

Our BESS is modular, which means you can mix and match cabinets to suit your system requirements. Plus, it comes in two variants, AC Single Bay and AC Dual Bay. Medium BESS Cabinets The medium series battery energy storage system is designed with versatility and scalability in mind.

Why should you choose a Bess energy storage system?

It offers flexible and scalable designs for various applications, whether you need a small or medium energy storage solution. Our BESS is modular, which means you can mix and match cabinets to suit your system requirements. Plus, it comes in two variants, AC Single Bay and AC Dual Bay.

What is a small BESS cabinet?

Small BESS Cabinets The small BESS series is a fully integrated battery energy storage system that's built to last. The Series is both scalable and engineered for modularity with a low MTTR, making it ideal for medium renewable energy projects.

What is a large Bess cabinet?

Large BESS Cabinets Our large bess Series features an AC single bay module capable of 29.7kW with options available up to 1MW clusters. These modules are perfect for on-grid solutions, providing reliable power for your applications. They are fully customisable and versatile, suitable for almost any on-grid application.
