Who is winchworks Spain?

Our in-house team of technicians are dedicated to ensure your time on the water is safe, secure and enjoyable. Added to that, WinchWorks Spain is the preferred servicing agent of choice for the world's leading Superyacht suppliers, owners, captains & crew.

What types of winches are available?

A full range of made-to-measure winches for all types of vessels. From towing winches to 400t dynamic wowing pull, to fishing equipment. A range that includes both electric and hydraulic units, mooring and anchoring winches, constant tension units, windlasses, traction winches, towing and escort units, and stainless-steel solutions for megayachts.

Does winchworks offer a complete winch package?

WinchWorks supplies complete winch packages, with both hydraulic and electric systems, plus windlass, anchoring and docking system packages. As dedicated Harken specialists we have the most extensive range of Harken parts available globally.

Where are superyachts based?

We are based in Palma de Mallorca, the hub of the sailing world and work world wide, often in Antigua, New Zealand and all over Europe. We've been supplying Superyachts with winches and deck equipment to match their High Performance requirements for more than 10 years, in both Palma de Mallorca and Globally.
