Which country has Windhoek as its capital?

Country in southern Africa; capital Windhoek(this passage also mentions other countries and their capitals,but the answer to the question is Windhoek)

Does Windhoek have access to water?

A large scheme to bring water from the Okavango River in the North to Windhoek,the Eastern National Water Carrier,was only partially completed during the 1980s. Most urban residents have access to drinking water supply,but access lags behind in rural areas. Access to sanitation also considerably lags behind access to drinking water supply.
